Dear Parents and Carers

Please find enclosed your child's report. Feel free to contact the school to discuss the report with your child's keyworker. Also enclosed is a copy of our 2022-23 term dates.

I would like to take this opportunity to thank you for your support in what has been a challenging time in education for both students, staff and parents. It has been good to be back in school regularly and to start to put covid behind us.

We have said goodbye to our old Year 11 and moved the other students up a year group, for some it's the beginning of their new GCSE curriculum and for others it's the final year of their studies.

As a school we are offering all students the opportunity to take a full set of GCSE examinations and ensure that they are well prepared for applying for college and apprenticeships. We will continue next year to prepare our learners for their exams, providing support and improving exam technique.

Important Dates

- School will finish on Thursday 21st July at 13:00. Taxis have been notified.
- The first day back is Thursday 1st September for a 10am start.
- Our school day from September will be 8:45am-2:30pm every day of the week.
- Our holiday pattern is available on the school website and is also attached.
- A full calendar of events will be made available on the school website.

The school will continue to use the text and email service next year; it's very important that we have accurate contact information and if you do change phone number or email address please inform us as we wouldn't want you missing out on important information.

I hope you all have a safe and restful holiday and I look forward to welcoming you all back next academic year.

Kind regards

Head Teacher
