Dear Parent and Carers,

Fylde Coast Women's Aid – Healthy Relationships Project

We would like to inform you that Year 11 have been invited to participate in enrichment sessions within the school day to enhance the delivery of the Personal, Social and Health Education Curriculum.

We will be joined by Chelsie Mabela from Fylde Coast Women's Aid who is their new Healthy Relationships Support Worker. Chelsie will be coming into school to work with pupils around issues including consent, unwanted behaviour, knowing the difference between abusive and non-abusive relationships, online behaviour, resolving conflict etc.

The session will be a place where pupils are able to ask questions about different aspects of healthy relationship awareness and to participate in some small group activities. Pupils will be supported by school staff during the sessions.

If you would like to discuss the details of the sessions in more depth or if you do not want your child to attend this session, please contact myself or Sarah Bishop (Deputy Head).

Yours sincerely

Kirsty Kaye-Field
Lead Teacher for RS and PSHE
